### omega BITS™ *cranberry*

2 oz. - MSRP \$ 2.19

#### *Get Your Omega-3 Without Sacrificing Taste!*

5 oz. - MSRP \$ 3.49

Omega Bits™ Cranberry Pieces are a nutritious, on-the-go fruit snack consisting of sweetened & dried cranberry pieces fortified with cranberry seed oil. This “super oil” supplies omega-3 that is stable enough for fruit fortification, ultimately providing no unpleasant aftertaste, which is usually associated with fish and flax seed oils.

Pack in lunches or enjoy out of the package. Omega Bits™ also serve as a great addition to baked goods, yogurt, salads and more.

### fortified DOG TREATS *with cranberry seed extracts*

#### *Fortified Dog Treats for Healthy Reinforcement*

10 oz. - MSRP \$ 7.99

These tasty liver-flavored treats are fortified with cranberry seed extract, an all-natural source of amino acids (a complete protein profile), omega-3, 6 & 9 fatty acids along with antioxidants for added immune, circulatory, muscle and digestive system support.† Significant levels of naturally occurring, highly bioavailable EFAs and vitamin E improve skin health and give your pet a healthy, shiny coat.

### prot-EFA™ nutritional system

Powder Formula - 120 ct. 500mg capsules  
Oil Formula - 4 oz.

#### *An Unprecedented Two-Part System*

MSRP \$ 34.99

Prot-EFA™ is a 100% vegetarian two-part nutritional system that has been formulated to deliver many nutrients that are often lost in traditional food processing practices. In the Prot-EFA™ Oil Formula, we blend cranberry seed oil into flax and olive oil for greater stability, longer shelf life and better taste. The Prot-EFA™ Powder Formula is an encapsulated blend of cranberry seed extract with added cranberry seed oil for greater bioavailability.

The Prot-EFA™ Nutritional System delivers a wide variety of healthy nutrients, including: complete protein, omega-3, 6 & 9 fatty acids, dietary fiber (soluble & insoluble), minerals, phytosterols, phytoestrogens (lignan), phospholipids (lecithin), vitamin E and other powerful antioxidants such as carotenoids, phenolics and anthocyanins.

FRUIT  
ESSENTIALS®

Cold Pressed, Cold Filtered  
**cranberry** SEED OIL  
softgels

60 ct. 250mg softgels

*A Tasteless Alternative to Fish and Flax Oils*

MSRP \$ 14.99

Cranberry Seed Oil Softgels provide an all-natural source of balanced omega-3 & omega-6 essential fatty acids (EFAs) as well as omega-9 fatty acids, phytosterols, phospholipids and antioxidants. The Fruit Essentials® cold processing methodology provides increased absorption, greater stability and none of the grassy or fishy aftertaste associated with flax and fish oils. Dietary omega-3 is vital to proper function of cell membranes, cardiovascular and neurological systems, and healthy joints, skin and hair.†

**ellagic** ACID  
extract

60 ct. 500mg capsules

*New Discoveries for Cellular Support*

MSRP \$ 17.99

Ellagic acid is a phenolic antioxidant compound that supports many positive functions of cellular activity.† Utilizing cold-press extraction on red raspberry seeds, we preserve, concentrate and deliver ellagic acid and other phenolic antioxidants. Our formula uses the same concentration of ellagic acid used in the landmark study performed at the Hollings Cancer Institute at the Medical University of South Carolina.

**cranberry** WOMEN'S  
formula

60 ct. 500mg capsules

*A Unique Cranberry Formula for Urinary Tract Health*

MSRP \$ 13.99

For centuries, cranberries have been used to promote urinary tract health. Each serving of Cranberry Women's Formula contains the active compounds to maintain urinary tract health as found in four or more glasses of cranberry juice. These nutrients are complimented with a complete protein profile, an even balance of omega-3 and omega-6 EFAs, along with other antioxidants, all carefully extracted from within cranberry seeds.

**vitaliberry**™ IMMUNE  
support

60 ct. 500mg capsules

*Give your Immune System a Boost with Antioxidants*

MSRP \$ 16.99

Vitaliberry™ is a concentrated, carefully processed blend of fruit extracts from cranberries, blueberries and grapes that provides many nutrients essential for immune support. Vitaliberry™ delivers a unique combination of fruit-based protein, dietary fiber and EFAs, all supported by concentrated antioxidants (phenolics, carotenoids, vitamin E, OPCs) superior to any comparable triple berry formula.
